> PROFESSIONAL BIOGRAPHY

Christoph Debus took over the position of Chief Financial Officer (CFO) at Flix, at the beginning of March 2022. In his position, he is responsible for all Flix's financial and legal functions. Debus is an expert in the transport industry and has held numerous management positions in the capital market that go beyond traditional CFO activities on an interdisciplinary basis. He was previously CEO of Thomas Cook Group Airlines and most recently CFO at Condor, where he successfully repositioned the company.
